Applicant hereby authorizes WPV and its authorized agents to contact and investigate the trade and banking references submitted on this application and authorizes said references to release such information. Alterations to this application and/or submission of insufficient or false information may at WPV's discretion preclude the extension of credit privileges. Applicant herein specifically agrees that in the event credit is extended to applicant, WPV reserves the right at any time to suspend or alter credit availability and terms, in whole or in part, when in its opinion the financial condition or business practices of the applicant warrants. If credit is suspended, advanced cash payments and/or other satisfactory security may be required to secure ongoing shipments or delivery.

Applicant hereby agrees to pay for all purchases of goods and/or services according to the terms invoiced by WPV, and warrants that he/she has the authority to enter into agreements on behalf of the undersigned company. The need to alter payment terms must be pre-arranged and approved by an authorized WPV official. If payment is not received when due, the undersigned company may be charged a monthly service charge equal to 1.25 percent, or the maximum amount allowable under state law, of the unpaid delinquent balance until the account is paid in full. If the account is placed for collection, the undersigned company agrees to pay all reasonable costs and expenses of collection, including court, attorney's and collection agency fees and expenses. The undersigned understands and authorizes that venue and jurisdiction for any and all legal proceedings shall be Winston County, Mississippi.
